IN POLICE COURT.

Malefactors Make Pleas Before Wilcox.

POLICE Court proceedings yesterday were devoid of anything of an exceptionally exciting nature and although the session was continued until long in the afternoon, a duller batch of misdemeanors has rarely occupied Judge Wilcox's attention.

A novelty was introduced in the shape of a Portuguese who had been subpoenaed as a witness and took his own sweet time in making an appearance. First, he told his honor that he had been sick; then he said that he had got stuck in the mud, and finally he pleaded that he was a baker.

Judge Wilcox gave him a talking-to which made his knees communicate with each other, and spoke fiercely of his power to send him to jail for ten days, where, he said, he would be exempt from the responsibilities of "turning the batch." When he had been scared sufficiently he was allowed to depart.

Chris Wagner and Bert Bremer, Jr., were fined \$25 and costs for having committed assault and battery on F. Shiefer.

It appeared that defendants were tenants of Fred Harrison, and undesirable ones at that. Harrison instructed Shiefer to present them with a notice to quit. When complainant went to serve the notice defendants invited him to come into the house and talk matters over. He accepted the invitation, and as soon as got inside was made to act as a football, in which Wagner and Bremer did all the kicking. When the neighbors called time he was as stable a candidate for the Queen's Hospital as has graduated from a rough and tumble in many a day.

The defense was that complainant served the notice in a fresh and overbearing manner, which provoked defendants till they felt called upon to teach Shiefer a lesson in manners.

A similar case against Bert Bremer, Sr., was discharged. Eddie Meyers, charged with stealing was discharged. Defendant was found in possession of two blue military shirts, similar to the one stolen, but evidence was lacking that he committed the theft.

Hama, a Japanese woman alleged to have assaulted Oregina Born, a small child, was fined \$2 and costs, the testimony going to show that defendant had slapped more vigorously than circumstances or the law warranted.

The case against Naulite Dante, charged with having said that he would do things to another which would bring that other's term of enjoyment on this terrestrial sphere to an untimely termination, was nolle prossed. Defendant was told that if he had a grievance against any one, it was the duty and pleasure of the court to adjudicate it.

Caesar F. Roza, a truculent small boy, was reprimanded and discharged for having assaulted M. Costa with a fragment of the earlier lava formation. Defendant said that he was flying his kite when the other boy came along, and out of sheer exuberance of spirits, kicked him. Then the worm turned and it was Caesar aut nullus.

Joe Macario, who is alleged to have gone astray in the matter of putting the receipts accruing from the collections of some laundry bills in his employer's safe, will have his dirty clothes washed in court next Wednesday.

Ed Maginney, the lone drunk, paid \$2 and costs, no advance being made on the small quantity.

Other cases dealt with were: Manuel Fernandez, assault and battery on J. Silva, nolle prossed; Jack Barton, common nuisance, March 7th.

WILL BE MADE A SOCIAL FUNCTION

Maternity Home Luau Meeting With Hearty Support From Society.

The meeting of the ladies in charge of arrangements for the Maternity Home luau and fair to be given on March 16, held yesterday morning, was largely attended. Plans for the fair were definitely decided upon and the work will now be taken up by committees and everything made to work toward the success of the event.

Governor Dole has offered the services of the Territorial band for the day and evening, and many donations have been received from various sources. Prince David was at the meeting held yesterday and took great interest and an active part in the work. Mrs. Bowler, Mrs. S. C. Allen, Mrs. Dr. Herbert and Mrs. Noonan are among the active workers and they have willing assistance from numerous other ladies.

It was decided definitely yesterday to have the proposed dance in the evening and the lanais and large rooms of the hospital will be beautifully decorated and hung with Japanese lanterns for this festive occasion.

The physicians' wives are to have a special booth, which will cater to the taste of the juveniles in candies, toys, etc., and will provide a Punch and Judy show, grab-boxes, soap bubble apparatus and all the other amusements dear to the small humanity.

Other arrangements have been made and the hospital grounds will present a joyous and festive appearance by the time they have all been perfected.

A final meeting will be held next Wednesday morning at 10 o'clock, at which time the ladies expect to complete all arrangements.

THE FAMILY FRIEND.

No remedy has as good a right to that title as Kiekaipo Indian Oil. It is good for internal and external use; it is pain's most powerful panacea. No one can say "I won't" have neuralgia, rheumatism, earache or any other acute pain, but everyone who has a bottle of Kiekaipo Indian Oil in the house can say with confidence, "I won't" have neuralgia or any other pain long. The power of this oil over pain is marvelous. Toothache, earache, headache, neuralgia and rheu-

matic pains, dysentery, diarrhea, cholera morbus, colic, cramps, and all acute pains yield instantly to it. You are always proof against pain with a bottle in the house. Hobron Drug Company, agents for Kiekaipo Indian Remedies.

TWO EXPOSITIONS THIS YEAR.

Buffalo will not be the only city in the exposition business this year. Glasgow, Scotland, has been preparing for her exposition for three years past, and it promises to be no small affair, in spite of the fact that the United States will not be officially represented. It is probable that each city will suffer but little from the rivalry of the other. According to the growing custom, the art buildings at both expositions are to be permanent, and it is worth noting that Glasgow's has been built from the profits of her international exposition in 1888.

What the Kidneys Are For.

WHAT DOAN'S BACKACHE KIDNEY PILLS DO.

It's the duty of the kidneys to see that the blood keeps pure. Not to make new blood—the food we eat does that, but to remove from the blood all the poisons and impurities—the waste matter—that is gathered up during its circuit of the body.

These poisons are deadly. If they are not taken out of the blood by the natural filters, the kidneys, they are carried back to the heart, and are started out again all through the body.

Of course they cause disease. We can't be healthy if our blood isn't pure.

When our kidneys are sick our back aches. That's a way they have of telling us they need help.

It's the duty of Doan's Backache Kidney Pills to cure sick kidneys. They know their duty well.

They are performing it here in Honolulu.

Here's a case in point:

Mr. H. H. Smythe, of Inter-Island S. S. Co., this city, writes to tell us that he was afflicted with a lame back for a number of years. "Ascribing the cause of this to the kidneys and hearing about Doan's Backache Kidney Pills, I got some of them at the Hollister Drug Co.'s store. They relieved me so much that I am perfectly satisfied with the result of having taken them, and can recommend the pills to others, suffering from backache."

Doan's Backache Kidney Pills are becoming popular in Honolulu because they are always endorsed by Honolulu people.

Our kidneys filter our blood. They work night and day. When healthy they remove about 500 grains of impure matter daily. When unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot dry skin, rheumatism, gravel, gout, disordered eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

Doan's Backache Kidney Pills are sold by all druggists and storekeepers at 50 cents per box (six boxes for \$2.50) or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.

Tourists and visitors should not fail to take a ride on the Pacific Heights Electric Railway. Unsurpassed view of ocean, mountain and valley, and the stretched-out city. Round trip, 10c.
